**Notes:**

1. Minimum credit required to graduate: 37.
2. Required courses: 10 credits; elective courses: 27 credits.
3. Credits earned by students from the common courses offered by their respective colleges shall be accepted as their affiliated department's professional courses. However, credits earned from interdisciplinary courses offered either by their college or by other colleges will be

accepted as credits earned from departments outside their own.

4. Conditions Set by the Department (Program, Certification, Licenses, Credit Recognition from Other Departments, and Others):

- ① Ph.D. students, aside from following the university's regulations regarding leaves of absence, are limited to a period of study between two and seven years.
- ② The Thesis must be completed in a chosen semester, and the grade will be recorded based on passing the degree examination.
- ③ In the first academic year, students must take at least 3 credits per semester and no more than 18 credits.
- ④ The maximum of 6 credits earned from other graduate institutes or departments at different universities can be recognized as graduation credits. For international students, with departmental approval, a maximum of 9 credits from fully English-taught courses at other graduate institutes or departments at different universities can be recognized as graduation credits. Any additional credits will not be counted toward graduation.
- ⑤ Students must take at least one course taught entirely in English.
